

## Connecting your iPad to home Wi-Fi

---

December 2017

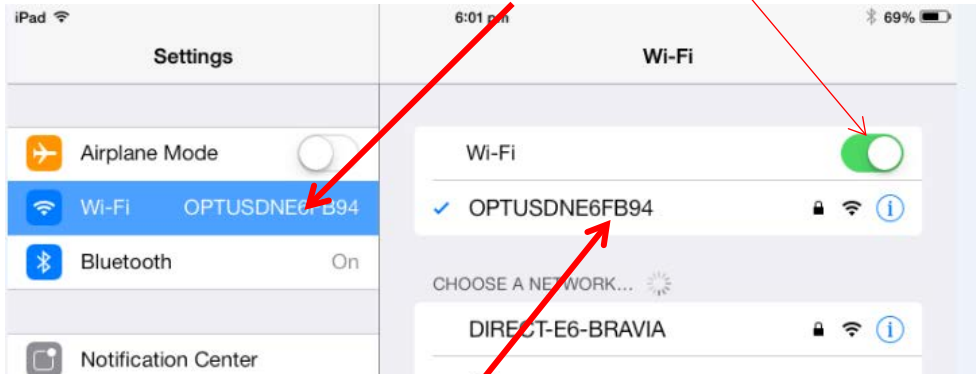

## Setting up WiFi at Home

**Step 1** Open your iPad and click on

“Settings”

**Step 2:** Select Wi-Fi on the left hand side menu. Turn on Wi-Fi

**Step 3:** Select your home network.

**Step 4:** Enter the required password, and then tap Join.

**Step 5:** A tick will appear next to your home network when it is connected;
