**Decision regarding return or purchase of College supplied iPad**

Dear Parent,

At the start of the 2014 school year, your son <student name> was issued with a College iPad. You now need to make a decision regarding your intention with regards this College iPad. You can decide:

1. To take ownership of the iPad and buy the iPad from the College for \$100.00 (including the provided cover, neoprene sleeve, charging cable and wall charger)
2. Return the iPad to the ICT Hub (including the provided cover, neoprene sleeve, charging cable and wall charger).

If you decide to return the iPad to the ICT Hub, you also need to return the cover (\$43), neoprene sleeve (\$35), charging cable (\$30) and wall charger (\$30). If any of these peripherals are missing you will be charged the replacement cost for each missing item. If the iPad is returned in a damaged condition and is in need of repair, a \$150 fee will be charged to your account to cover the cost of repairs.

If you decide to return the iPad you will need to return the iPad to the ICT Hub immediately after the final Year 9 Exam on Wednesday 7 December.

**Please complete the form below and return to your Pastoral Care Teacher or ICT Hub by Monday 14 November notifying the College of your intention regarding your College supplied iPad.**

*\*Please note, by not returning the iPad your College account will be charged the \$100.*
