Purchasing and Downloading Essential Elements Music Text

Table of Contents

Introduction

Before you purchase the Essential Elements textbook, it is critical you know the exact title of the edition your son needs – the edition that matches the instrument he is learning.

THERE ARE NO REFUNDS FOR INCORRECT TEXT BOOK DOWNLOAD.

Before you can purchase and download the *Essential Elements* textbook **you need an iTunes account and a payment method organised**. There are two ways you can pay:
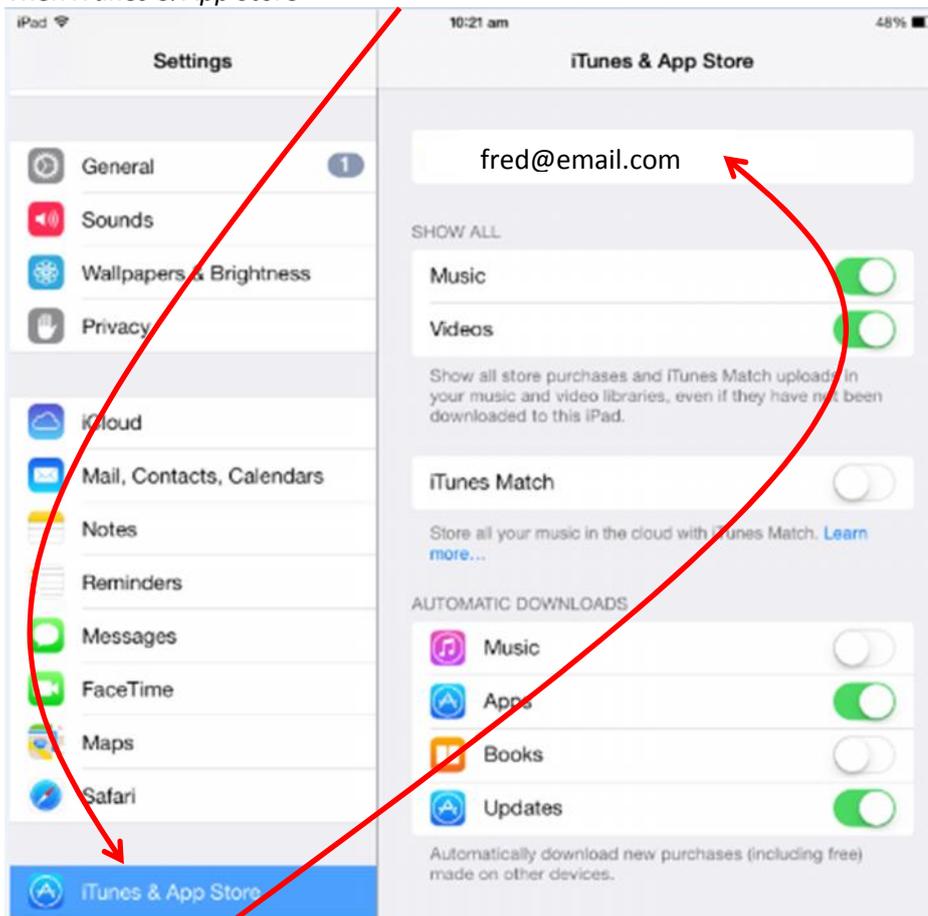

1. By temporarily adding a credit card to the iTunes account you wish to use to purchase
2. By using an iTunes Gift Card in the iBooks Store

If you chose to add a credit card to the iTunes account to purchase the textbook it is highly recommended you remove the credit card after the purchase is completed.
