

Installing Office 365 at Home

Office 365 for Students is available for free to students who are enrolled at St Patrick's College. Install Office on up to 5 PCs or Macs and on other mobile devices, including Android, iPad®, and Windows tablets. Here are the instructions for students to install at home:

1. Login to SIMON Home Page and click on the *OneDrive and Office 365* link.

2. You need to be viewing the page below. Click on the *Office 365* link to make sure you are at the right page.

3. Click on the *Install Office 2016* link.
4. Follow the steps as listed **especially** Step 3 where the student must sign in to one of the Office applications with their St Pat's email and password.

Just a few more steps...
