

The Home button takes you to the catalogue. Filter content by year level, learning area and topic. It's all mapped to the Australian and State curriculums

Go here to find FAQs, step-by-step user guides, and video tutorials

WEB PORTAL ▶ home = catalogue = choice! ◀

The screenshot shows the LearningField home page. At the top, there are navigation links: Home, My LearningField, eReaders, About, and Support. A search bar is on the right. Below the navigation, there are two filter panels. The left panel is titled 'Year level' and lists Year 7, Year 8, Year 9, and Year 10. The right panel is titled 'Learning area' and lists Commerce and Economics, English, Geography, Health and PE, History, and Languages. A 'FILTER BY:' section shows a list of subjects with counts: Languages (14), Mathematics (14), History (11), Technologies (7), Geography (6), and Science (6). Below this, it says 'You are filtering by: Year level: Year 7'. The main content area shows a book result for 'Maths Quest 7 for New South Wales Australian Curriculum Edition' by John Wiley & Sons Australia. Underneath the book title, there is a section for 'Relevant chapters' with a list: Positive integers, Rational numbers, Decimals, Percentages, and Algebra.

Hover over a chapter and click either 'Add to library' (My Library) or 'Add to group' (to share with your students)

Go to My LearningField to view your activity and add/manage groups

WEB PORTAL ▶ group dashboard = your control centre! ◀

The screenshot shows the group dashboard for '9 History A'. At the top, there are navigation links: Home, My LearningField, eReaders, About, and Support. A search bar is on the right. Below the navigation, there is a 'Group description:' section and a 'Group instructor:' section with a profile picture of Mrs Verity. A 'Manage your group' section contains several icons and labels: Invite students, Add homework assignment, Upload group material, Create group discussion, and Advanced options. Below this is a 'Latest announcements' section with a text input field and a 'Send' button. A recent announcement from Mrs Verity is shown. The 'Students' section displays a list of student profile pictures: Fiona..., James..., Ella M..., and Ruby..., with a 'View all' button. The 'Group library (5)' section shows a list of book covers with a 'View all' button.

In the group dashboard, you can invite students, make announcements, and start group discussions

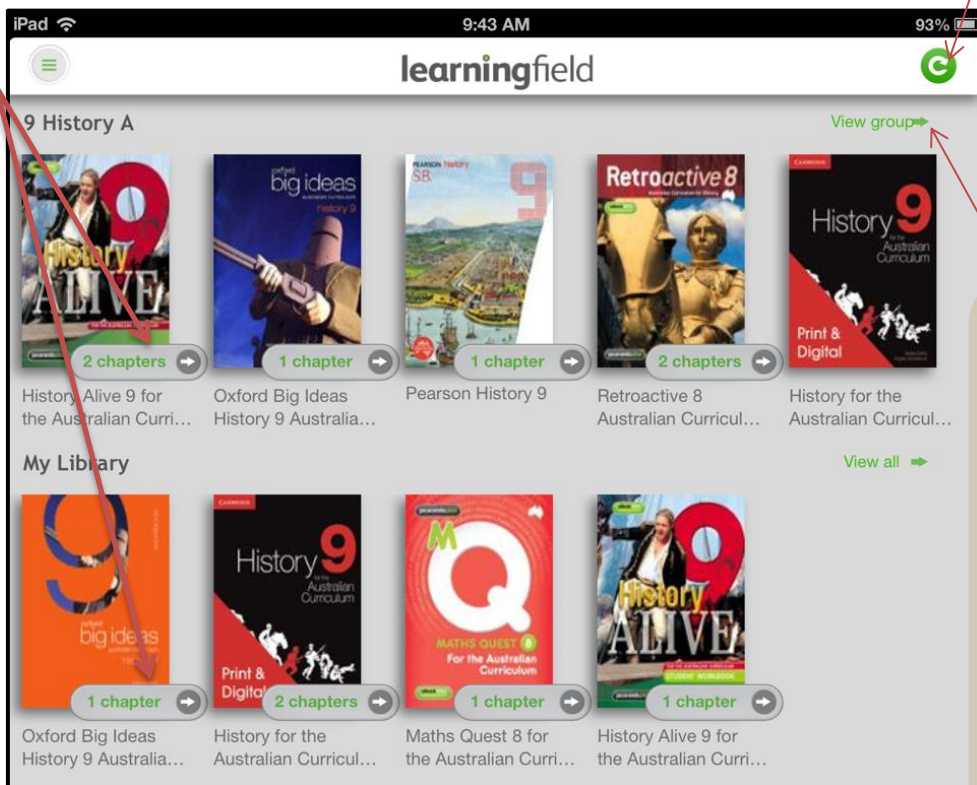

To get to your group dashboard: My Learningfield > Groups > Select group

View all students in the group, and view and manage the group library

IPAD APP ▶ home = see your libraries! ◀

Touch on any book to see and download chapters you've selected

Touch here to sync your library with any new chapters or groups you've added via the web portal

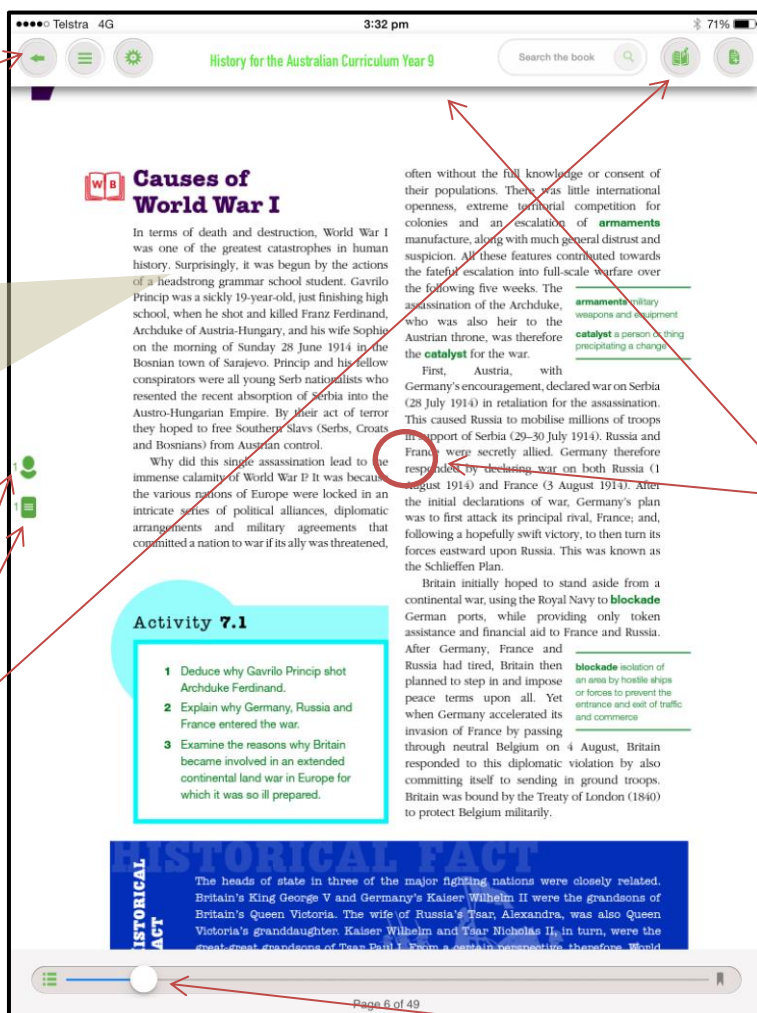

Touch 'View group' to see the group library, student announcements and to create, read and respond to group discussions

IPAD APP ▶ chapter = read away! ◀

Go back one screen by touching here

To make a note, press and hold to select text. The notes and highlight menu will appear. Touch 'Note' and type your note in the pop-up box

Touch these icons to bring up the notes and highlights for this page

Touch in the middle of the screen to bring up the top menu bar

Navigate straight to specific pages within the chapter
