

App4 Student iPad Diary

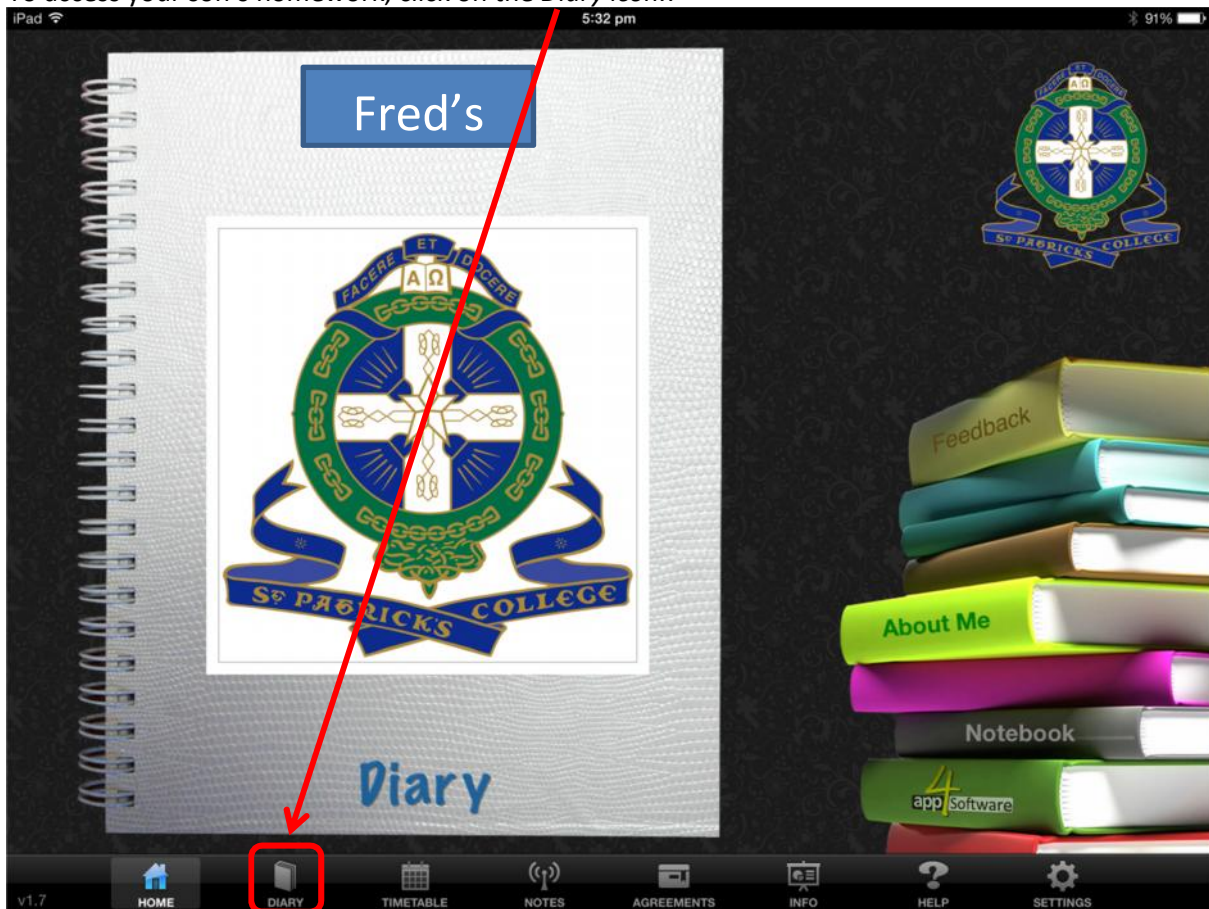

Homework Guide

Revised 26 February 2014

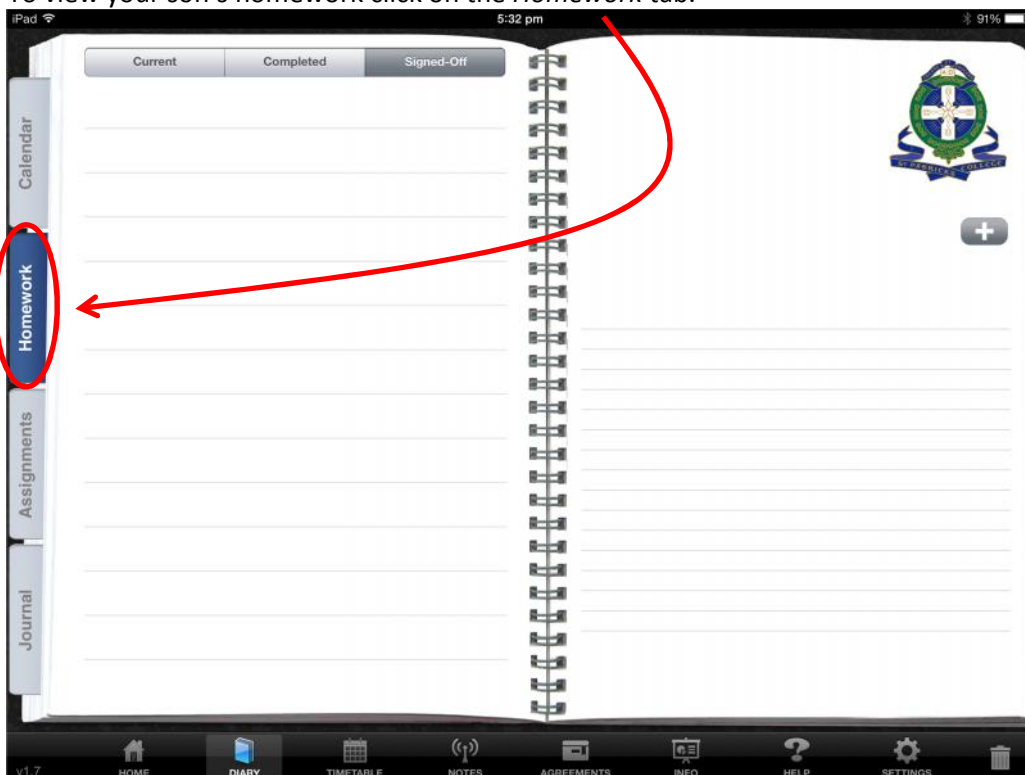

1. Home Screen

To access your son's homework, click on the *Diary* icon..

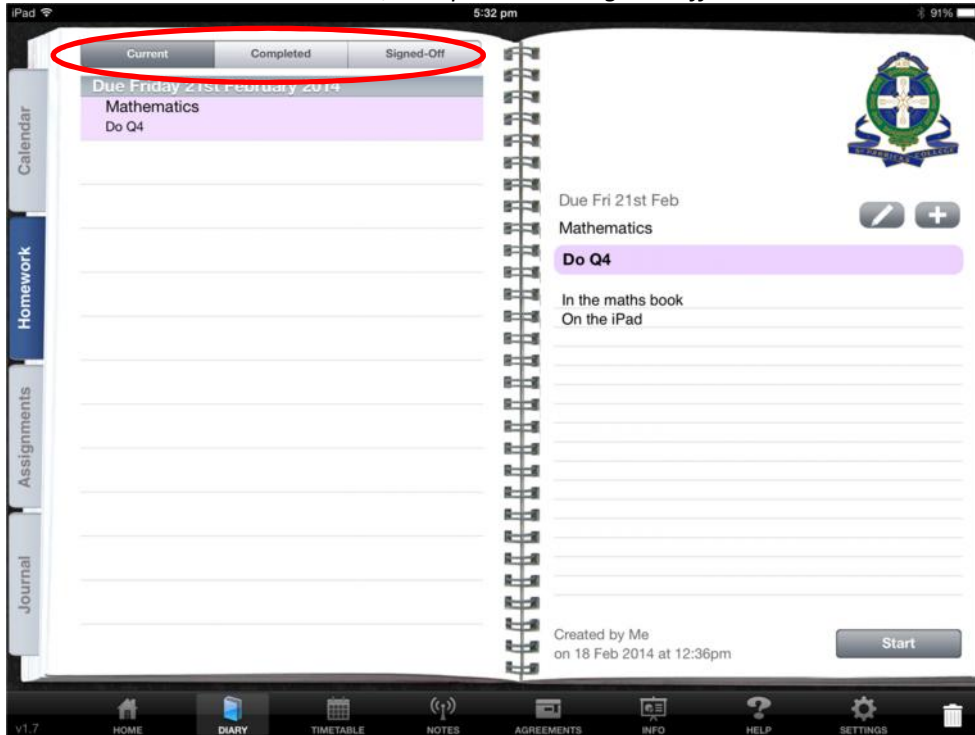

2. Homework

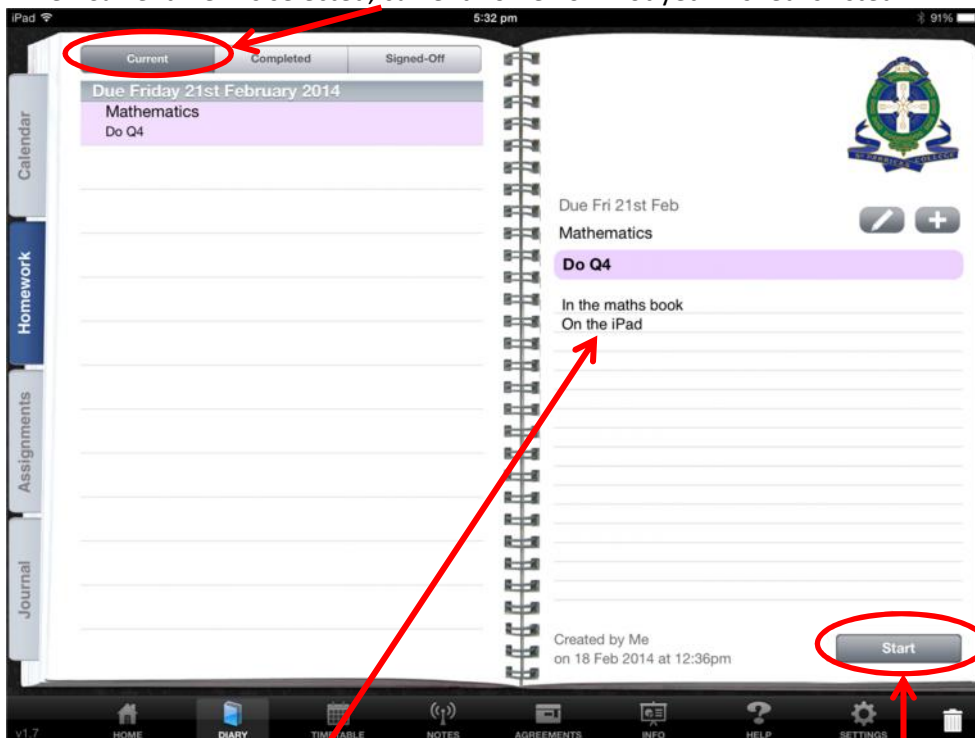

To view your son's homework click on the *Homework* tab.

There are three views – *Current*, *Completed* and *Signed-Off*.

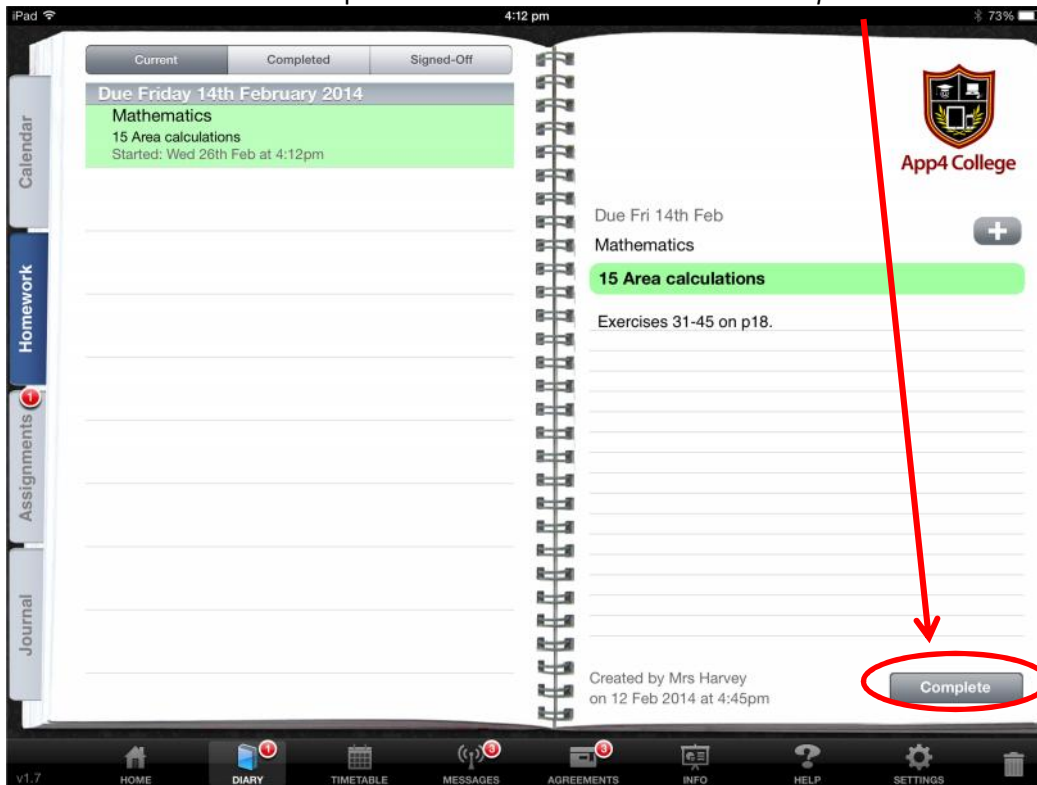

When *Current* view is selected, current homework not yet finished is listed.

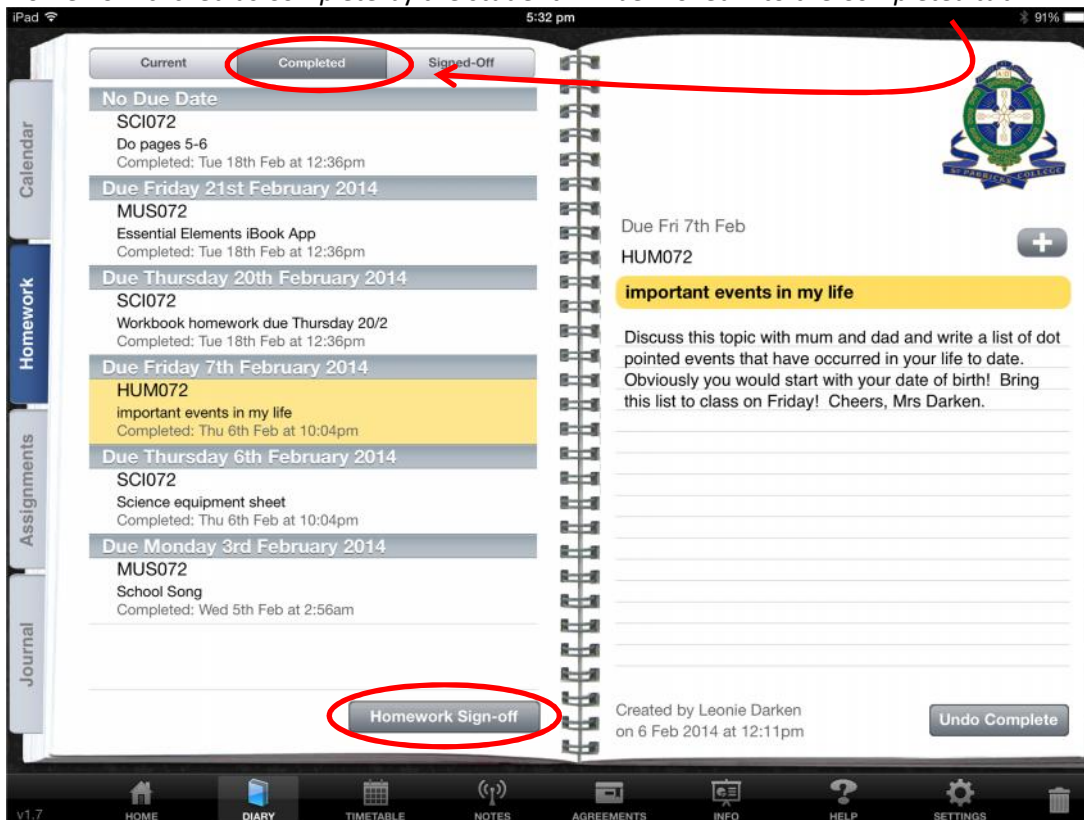

Click on the listing to view the homework details. Students should click *Start* when they begin the homework.

When the homework is completed the student should click the *Completed* button.

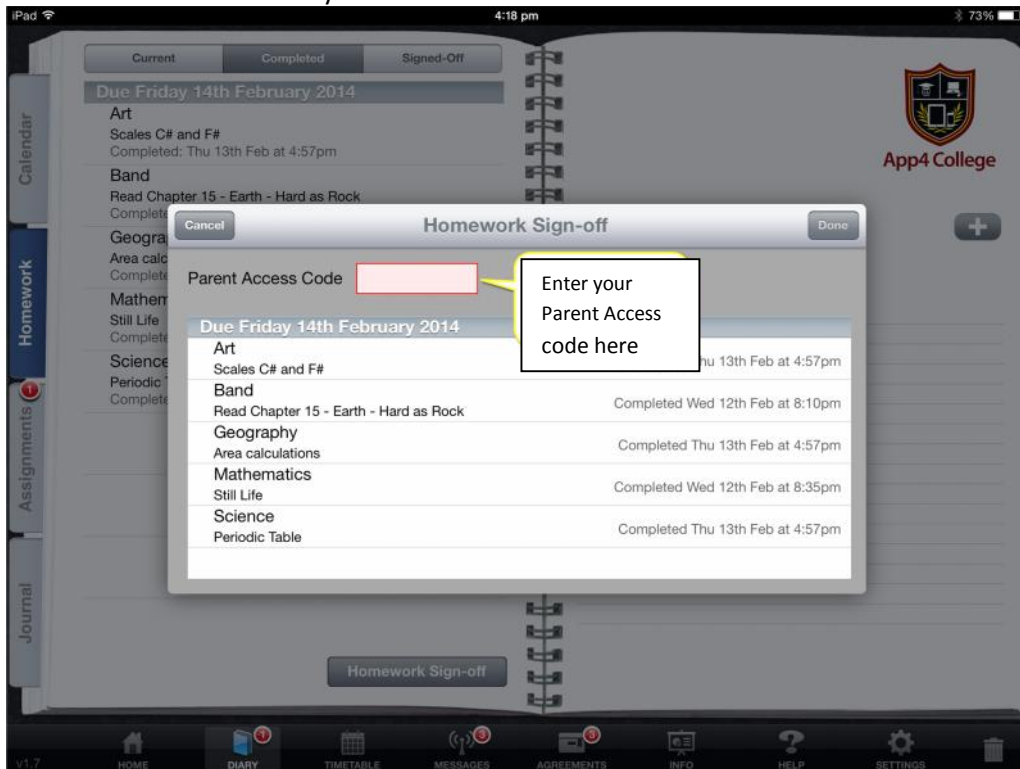

Homework clicked as *Complete* by the student will be moved into the *Completed* tab.

Parents are able sign-off on the homework as being complete by clicking the *Homework Sign-off* button.

You will be asked to enter your Parent Access Code.

Homework signed off by Parents will now appear in the *Signed-Off* tab.
