### Introduction

Parents will need to create a *Parent Access Code* to be able to:

- to sign-off on their son's homework
- to read notes sent by teachers

Each of these tasks can be completed using the App4 Student app on your son's iPad.

Alternatively, you can download the App4 Parent app onto a different iPad and complete these tasks. The Parent Access Code will be needed to login to the App4 Parent app

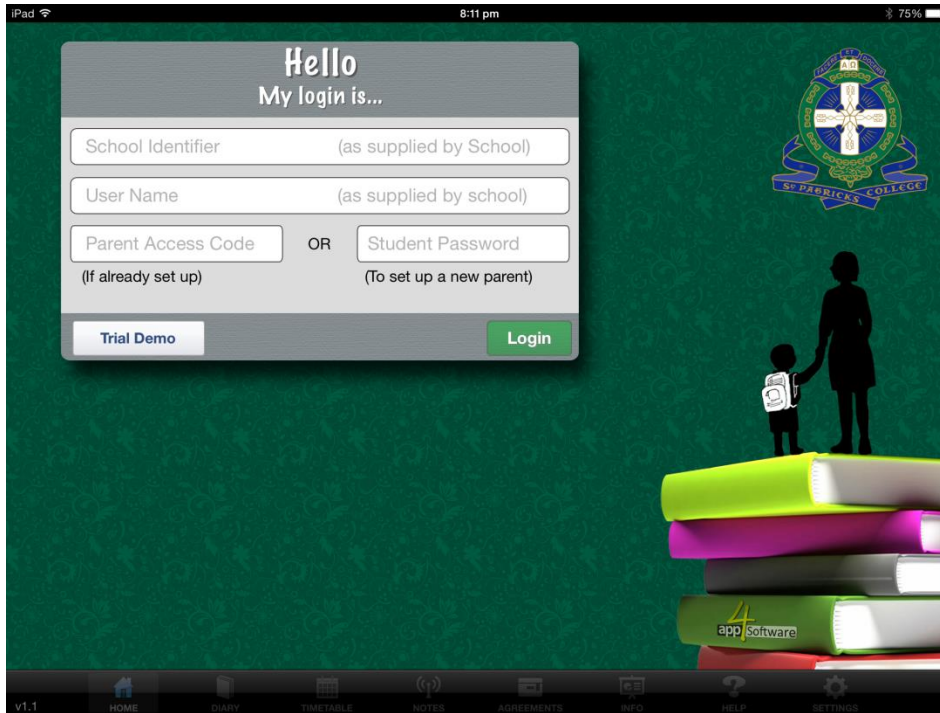

App4 Parents

## Logging in to the App4 Parent app

1. Locate and click on the App4 Parent app.
2. The login screen below will appear.

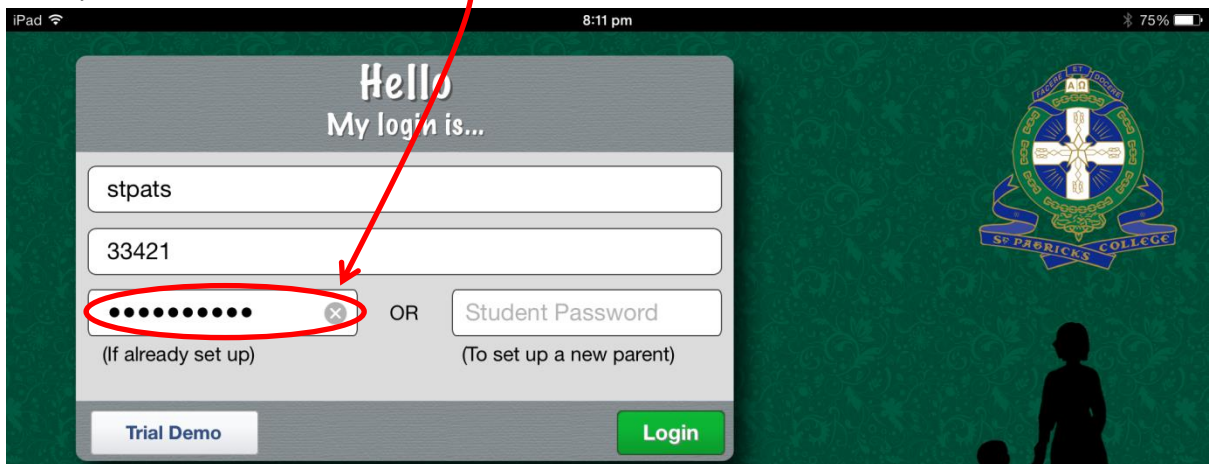

3. Enter the School Identifier: stpats

4. Enter your son's ID

5. Enter your Parent Access Code

6. You will reach the *Home* screen of your son's diary after you have logged in.
